Pooja Shaikh

Senior Machine Learning Engineer

Email: p.shaikh@yahoo.in Phone: +91 87803 25333 Location: Gurgaon, Haryana

TECHNICAL EXPERTISE

Machine learning: AWS, Python, Docker, Machine Learning
Data: MLOps, SQL, Hugging Face, Scikit-learn
Deployment: Kubeflow, TensorFlow, XGBoost

ACADEMIC BACKGROUND

M.Tech Data Science - SASTRA University (2017)

LANGUAGES

English, Hindi, Marathi

PROFESSIONAL SUMMARY

Senior Machine Learning Engineer with 6+ years of experience in NLP and recommendation models. Skilled in AWS, MLOps and Kubeflow. Known for clear communication and ownership.

WORK EXPERIENCE

Senior Machine Learning Engineer
Postman | 2024 – Till date

- Published 9 internal papers and presented results to leadership.
- Deployed models to production with Python, serving 12k predictions a day.
- Built Machine Learning models in Kubeflow that improved recommendation click-through by 31%.

Machine Learning Engineer
Myntra | 2022 – 2024

- Published 5 internal papers and presented results to leadership.
- Created feature pipelines and monitoring to detect data drift.
- Ran A/B tests proving a 54% lift in conversion.
- Built Scikit-learn models in Kubeflow that improved recommendation click-through by 39%.

Junior Data Scientist
Persistent Systems | 2020 – 2022

- Created feature pipelines and monitoring to detect data drift.
- Cut model inference latency from 50 ms to 10 ms through optimisation.
- Ran A/B tests proving a 24% lift in conversion.

CERTIFICATIONS

- AWS Certified Machine Learning - Specialty
- Deep Learning Specialization - Coursera
